

MonsoonSIM User & Partner Conference 2019

MonsoonSIM Club

Speaker:

Geraldo Ricky

I am from MonsoonSIM

Background

- MonsoonSIM only used on a specific subject with only few games
- Not every University have a community to learn MSIM intensively
- To master the game, you need to play it frequently
- Barriers to invite other teams to play together

MonsoonSIM Club

- Is a newest feature to unite all players in a community
- Feature for knowing every Monsoon Players
- Facilitate all the players to play more games

Benefit of MonsoonSIM

Club

- All players can see each other activity (online, last game played, club game results, etc)
- Every team can easily play together frequently
- Everyday at 7 pm, we will held club game for max. 10 teams to join with random configuration. (Registration will open 60 minutes before the game and game will run on 7.15 pm)
- No need CT Trainer ID to play the game. Just join the club games

How to Register Monsoon Club (Team Captain)

1. Click 'Club' logo in homepage after login
2. Choose your University and CT Trainer on the list
3. Insert the University code which given by CT Trainer (CT Trainer get the code from Monsoon)
4. Fill the team name and make a team passcode
5. Submit it and Officially made a Monsoon Club
